

School Sites Operating Meal Service During COVID-19 School Closure

Below are schools that have notified the State Agency of plans to provide meals to children during the COVID-19 school closure. This list is subject to change and will be updated as new information becomes available. The school system Child Nutrition Program contact number has also been listed for additional questions. Districts and schools operating open feeding programs that are not reflected on this list should update their district's CNP application at: <https://cnp.doe.louisiana.gov>.
